### MAA Florida Section Spring 2024 Meeting

Fort Myers, FL, 23 - 24 February 2024

Home Register

#### Event Overview

The annual joint meetings of the MAA-Florida Section and FTYCMA will be held on February 23-24, 2024 on the campus of Florida Gulf Coast University in Fort Myers, hybrid is a possibility. We invite talks (either 20 minutes or 45 minutes in duration) and workshops or special topic sessions (105 minutes) from mathematicians and math educators from colleges and universities. Graduate and undergraduate students are also invited to participate. Full details available at <http://sections.maa.org/florida/newsletter/callfogu.htm>

#### Primary Venue

#### Florida Gulf Coast University

10501 FGCU Boulevard, Fort Myers, FL 33965

The fact that late February is the peak of tourist season, means that rooms are tight and they don't want to block them out. Below is a link to the list of hotels (about a dozen) we provide to students and parents for orientation (EDIT: Holiday Inn in Row 2 is now a Crowne Plaza, but all the contact information is the same).

These are all within 10-15 minutes of campus. There are probably enough rooms altogether, but I have not been able to reserve blocks or get guaranteed discounts anywhere. Some will probably give some sort of "FGCU rate" but that seems to be the best we can do given all the circumstances.
