

FTYCMA Minutes
Joint meeting of the Florida section of MAA and FTYCMA
Florida Gulf Coast University
March 3, 2001

The meeting was called to order at 9:48 am by President Mike Mears.

The minutes of the March 3, 2000, meeting were distributed.

The Service Excellence Award (\$100 and a plaque) was presented to Guesna Dorhman of Tallahassee Community College.

The 2002 meeting will be held at Santa Fe Community College.

The Nominating committee for 2002 will include Guesna Dorhman, chair, Bill Jordan, Carl Henry, and Mike Mears.

Information for the FTYCMA newsletter is due to Lloyd Harris by 4/1/01, to Mike Mears by 6/1/01, and to Nancy Johnson by 9/1/01. Leo Lutz of GCCC volunteered to be the editor of the newsletter, which will be available at an electronic website and by email. (The U. S. mail is too costly.)

The Treasurer's report, as of 2/27/01, shows revenue of \$320 and expenses of \$159, leaving a cash balance of \$4116.90. By consensus, a) the FTYCMA commitment to Mathematics Olympics was raised from \$400 to \$600; b) \$100 was pledged for each FTYCMA delegate to the AMATYC conference.

There are currently 72 members, however, the membership drive continues.

Discussion items included the following:

- A. The State Course Numbering Committee minutes were distributed. The current draft includes requirement of 9 credits of mathematics including geometry for those seeking an education degree. In conjunction with this requirement, the coverage of geometry in MGF 1106 and MGF 1107 was discussed;
- B. Members were asked to volunteer to be delegates to the AMATYC conference in November, 2001; and
- C. Goals of FTYCMA

The meeting was adjourned at 10:45 a.m.

Respectfully submitted, Nancy Johnson

Thanks to Gil French for taking notes at the meeting while I attended another conference.
