# Goal & Achievement

Our goal at Gulf Coast State College is to offer the highest quality, accessible and affordable education and training.

**#1 LOWEST  
TUITION**  
in Florida

GCSC was ranked as one of the **top 150** state colleges in the nation by the Aspen Institute

Over **\$13 MILLION** provided to students for financial assistance in 22-23

Over **95%** of students recommend Gulf Coast State College

**91%** of graduates are found working or continuing their education within one year of graduating

# Special Initiatives

## Gulf Coast Guarantee

Starting in August 2021, Gulf Coast State College's Foundation guarantees a \$1,400 per year financial aid award to current Bay, Gulf, and Franklin county high school graduates who enroll full-time at GCSC the same year as graduation – that's an estimated 60% off the cost of tuition if the student takes 12 credit hours!

## Seminole Landing at FSU PC

Located along the bay, Seminole Landing is an on-campus apartment community exclusively for full-time undergraduate and graduate students at FSU Panama City and Gulf Coast State College.

## Bayway

Starting in August 2023, Gulf Coast has partnered with Bayway, Bay County's Public Transit System, to provide GCSC students enrolled in at least six credit hours with free transportation across Bay County. This initiative eliminates the barrier of unreliable transportation preventing people from attending college. The benefit extends to GCSC employees as well.

## New STEM Building

Currently under construction, the building will be three stories tall and 40,000 square feet with 10 state of the art science labs. The project is on schedule and expected to be ready for classes in the Fall of 2024.
